

# Andrew & Jordan

June 8, 2013 | Sherman

Jordan and Andrew had a fairy-tale wedding that exceeded their wildest dreams. "If there was one word to describe my wedding, it would have to be perfection," Jordan says. "My husband and I had the smoothest and most romantic wedding imaginable (not to mention all the fun)!" The couple gives credit to their talented staff of planners, caterers, florist, bakers and entertainers. "I truly felt like a queen and couldn't imagine my wedding day to be any different. It was definitely a dream come true."
