DREAM WEDDING MAKER

"I honestly can't recommend Weddings by StarDust enough! We tell our friends who are getting married now to hire a wedding planner, specifically Weddings by StarDust, to help them make their dream wedding a reality. This is my biggest advice to any bride-to-be who was like me and has absolutely no idea where to start. I am so incredibly grateful for Laura and her amazing team at Weddings by StarDust - I will never be thankful enough for them."

MY FAVORITE MEMORY

"My favorite moment was when Zhen surprised me with a performance of him serenading 'Perfect' by Ed Sheeran to me. I cried a lot of happy tears."
